I hope you had a great time in Austria. I spoke with EJP last Tuesday and gave him an overview of what we were going to do. He said he would touch base with him no later than Wednesday. EJP didn't get back to me, but I did not expect that he would because EJP did not object to our approach. The letter went on Friday afternoon. I will send you a copy of the final version, which did not change much beyond the comments I received from your team. Happy to talk today if you like. Safe travels!

Mon, Nov 27 at 11:23 AM

I did speak to EJP and learned a couple things that may make sense to share before we meet. Let me know if you have five min on the drive to the Capitol or otherwise from 1 onwards. Thanks

Thanks.

Talked to EJP. He will debrief RV tonight as we discussed. EJP would like to deliver the revised draft in hard copy tomorrow. I told him you wanted another cut at the language before that occurs. He said he will wait to hear from us before effecting delivery. I am on the road now until Friday, but available.

Wed, Nov 29 at 8:17 AM

Hope your travels go well. Let me talk to EJP today and hear how his convo went. If he thinks we should give the next draft today, we can certainly do that, but it also may make sense to not exchange further drafts until we are near final.

Sounds good. Thanks

Any update?

Wed, Nov 29 at 6:39 PM

Yes. Just got off the phone with EJP. Are you free to speak, either right now or later this evening (after around 8)?

I can talk now. Just on my way north.

Thu, Nov 30 at 10:55 AM

Jay - I'm going to rearrange my travel so I can join tomorrow when you talk to the Regents. We've found a way to do it that will work - I'm going to take a car to Indy instead of flying. Am going to write you and EJP now with some other updates.

Got your message. Got it and I am good with your proposed approach. Thanks!

Thu, Nov 30 at 5:53 PM

Jay - I had an Uber problem and only was able to join the zoom a at 5:45 but I'm still stuck in the waiting room. I'll sign off in a minute - but if you get this and want to let me in, please go ahead.

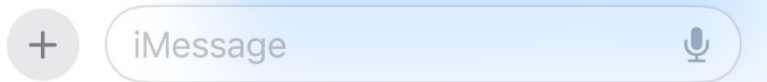

Sorry that I just got your message. Glad that you were able to join.

Any chance you are available now? I am open until noon.

Fri, Dec 1 at 1:54 PM

Would 2:20 work for you?

Sorry Jay I've been in a intense meeting and just freed up. Will try you now.

Fri, Dec 1 at 4:20 PM

RV would like to speak to both of us / are there times that can work for you this Sunday at 5 pm or later?

Fri, Dec 1 at 6:41 PM

I could do 6:00 p.m. or later on Sunday. Thanks and thanks for participating today. Very helpful.

Heard back from RV. Are you available to meet?

Yes can be

Great. Where do you want to meet?

Wed, Dec 6 at 6:11 PM

Erik just called. RV wants you and me and EJP to talk tomorrow. EJP can't do before noon. I said that given the regents meeting, I thought noon was the only real option for you.

But that, of course I couldn't speak for you.

I think noon is the only option. Bad form for me to not be at the meeting.

okay with it all?

Agreed

Understood.

Please let me know if noon works. If it doesn't then we would need to find some other option. I could perhaps miss the closed session later in the day.

I've proposed noon. As a backup what time is closed session likely to be?

Also: RV wants a deal this week apparently

Wed, Dec 6 at 8:30 PM

It would be good to get this done this week. I am thinking we would be in closed session around 4:00.

Excellent! I assume we will find a place at Gordon to take the call. Correct?

I just spoke to EJP. We should email a version to him tonight. Doable?

Fri, Dec 8 at 8:45 PM

Just checking in - you doing okay?

Thanks. Very kind of you to reach out. I am fine. Just finished at Hillel. Very nice evening. How are you?

Glad it was a nice evening. I'm also doing fine. Various (expected) forms of incoming. Petition to the regents as you probably saw. A number of them may not be as accustomed to that.

I may need to be on the meeting from the car tomorrow - I figure

Participating from the car is just fine. I don't expect to say much tomorrow either. Hopefully we can get this done.

I sure hope so.

Call me later. I'm supposed to be at Town and Gown but haven't gotten there yet

Will do.

Jay -a quick time sensitive question. Lmk if you have 2 min to speak today.

Sure. Would 1:00 today work for you?

Thanks. If you could do either 12:45 or 1:15 that would be better but if 1 is your only option I will make it work! Really will just take 2 min.

1:15 works. I will call you then.

Hi Jay — JN and I had the chance to speak. Our first choice would be that we proceed as usual. That said, when we announce folks in the platform party, we do think there is a better than even chance that you may face some 'boos.' (As may Kyle, as may I.). If you are there, I will also acknowledge both of you in my speech, briefly, and then at the end of my remarks, I introduce Kyle who is speaking. However, if you prefer not to be there, that is also absolutely okay with us. But on balance, and given that you are listed in the program, we would mildly vote for you joining, if you are comfortable with the potential situation as described.

Thanks. I will plan to be there on Sunday. If you have a change of heart, just let me know.
