Seems to me the resolution passed yesterday, does away with these?

I will have to take a look at the specifics. In a board meeting today, but will follow up and get back to you.

Thank yoy

Just following up as promised. While not covered by our agreement, I am having Deej drop off at your office a response from my General Counsel to the UWL Chancellor that indicates the required statement is in violation of Regent policy. I think that should resolve the matter.

Best, Jay
